Important reminders and other information

Ask your doctor to write your prescription for a 90-day supply with refills when appropriate. You will be charged a mail order copayment regardless of the days' supply written on the prescription. Please be sure that your doctor writes your prescription for a 90-day supply, not a 30-day supply with 3 refills.

Complete the Health, Allergy & Medication Questionnaire. **There may be a limit to the balance** that you can carry on your account. If this order takes you over the limit, you must include payment. Avoid delays in processing by using e-checks or a credit card. (See Section 3 for details.)

If you are a Medicare Part B beneficiary AND have private health insurance, check your pharmacy benefit materials to determine the best way to get Medicare Part B medications and supplies. Or, call the Customer Care number on your ID card. To verify Medicare Part B prescription coverage, call Medicare at 1-800-MEDICARE (1-800-633-4227).

Medco will make all possible efforts, as appropriate by law, to substitute generic formulations of medication, unless you or your doctor specifically directs otherwise.

Pennsylvania and Texas laws permit pharmacists to substitute a less expensive generic equivalent for a brand-name medication unless you or your doctor directs otherwise. **Check the box if you do not wish a less expensive brand or generic medication.** Please note that this applies only to new prescriptions and to any refills of that prescription.

For additional information or help, visit us at www.myuhc.com or call the Customer Care number on your ID card. TTY/TDD users should call 1-800-759-1089.
